rec·re

A self-service lending platform for **smarter**, **greener**, **more equitable** campus living.

rec·re

recrebox.com

rec·re

How it **works**:

Campuses fill RecRe boxes with the items their students **want** and **need**.

Students scan the QR code to start a **free rental** on our mobile web app.

Admins **easily manage** rentals with our inventory management software.

CONVENIENT. EQUITABLE. SUSTAINABLE.
